JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

DECKER & CO.'S

IVORY AGRAFFE BAR

PIANO-FORTES.

WAREHOUSES: No. 2 Union Square, cor. 14th st. and 4th av.

These Instruments are celebrated throughout the country, and are distinguished for their

SINGING QUALITY;

VOLUME AND PURITY OF TONE;

SYMPATHETIC,

ELASTIC,

EVEN TOUCH;

DURABILITY OF CONSTRUCTION,

AND BEAUTY OF FINISH.

Decker and Company's Pianos have always received the First Premiums, whenever and wherever they have competed with the most celebrated makers in this country.

OUR IVORY AGRAFFE BAR

is an invention, beautiful in its simplicity and wonderful in its practical effects. It is the most compact Agraffe ever invented, and its influence upon the tone is to render it mellower, rounder and more clearly brilliant, while it utterly overcomes that sharp, metallic quality, which disfigures the instruments of all other makers.

Why We Excel,

While other Pianos are rarely in tune,

THE DECKER & Co.'s PIANOS invariably retain their Pitch and Tone.

While other Pianos are made of poor or unseasoned materials,

THE DECKER PIANOS combine the Best Materials, Skillful Workmanship, and Scientific Construction.

While other Pianos are deficient in the great requisites of a good touch,

THE DECKER & Co. PIANOS have a flexibility under skillful manipulation, which not only adapts them to the style of every performer, but which causes the player to feel in rapport with the Instrument, and affords his taste and fancy free expression.

It is a FACT—That philosophy of construction is not less important than fitness of material.

It is a FACT—That various minute, unobserved appliances, adaptations and improvements, have an influence in the tone, durability and manipulative character of a Piano, in no degree inferior to the more ostensible modifications.

It is a FACT—Therefore, that science, as well as experience; artistic discrimination, as well as methodic care; capital, as well as conscientiousness, are requisite in the production of a GOOD PIANO-FORTE. In our

Ivory Agraffe Bar Piano-Forte

is exhibited the result of an uninterrupted, persevering regard for these facts and principles; and purchasers who have so often spoken of the uniformity of excellence in our Instruments will be led to understand how this superiority and uniformity has been attained—a result which is apparent to even ordinary judges, in the volume and richness of tone, the sustained and human character of their singing quality, while connoisseurs and critics fully endorse all that we have adverted to.

The unanimous opinion of the best artists and the most reliable critics is, that

THE DECKER & COMPANY'S

IVORY AGRAFFE BAR PIANO-FORTE
IS THE ONLY SQUARE PIANO-FORTE.

Which

IN VOLUMINOUS SONORITY, AND
POSITIVE SOLIDITY OF TONE,

Can stand comparison with the

BEST GRAND PIANO-FORTES MADE.

Every Piano is warranted for Seven Years.

DUNHAM & SONS,

(Established in 1834),

MANUFACTURERS OF

GRAND,

SQUARE, and

UPRIGHT

PIANO-FORTES.

Having completed our new manufactory on a greatly extended plan, in comparison with the one formerly occupied by the senior member of our firm, and furnished it with the finest and most approved machinery required in the manufacture of Pianofortes, we are prepared to sustain the unrivalled reputation for excellence and superiority by which the DUNHAM PIANO has been known and recognized, in every section of the country, for over thirty years, and which to-day stands without a rival as the

MOST EXCELLENT AND DURABLE PIANO

IN THE

WORLD.

The great combination of improvements attained in the "DUNHAM" PIANOFORTE in regard to tone, power, equality and perfection of workmanship, has elicited from the most eminent professors and critics, the UNANIMOUS opinion, that the

"DUNHAM" PIANO CANNOT BE EXCELLED.

The system that has so successfully established the reputation of the "DUNHAM" PIANO will be continued by us; and while claiming (without fear of contradiction) for our house, the honor of introducing to the public the last grand and great era of Pianoforte improvement, which has given to

AMERICA'S SONS, THE HIGHEST OF THIS WORLD'S
HONORS,

we will exert our utmost efforts to keep the "DUNHAM" PIANO in that high position of merit, for which all must strive, but few attain.

MANNER & CO.

HORATIO WORCESTER,

MANUFACTURER OF THE CELEBRATED
HINGE-PLATE

PIANO-FORTES,

14th Street, corner 3d Avenue.

The Hinge-Plate Piano has been recently introduced by Mr. Worcester, and has received the most flattering testimonials from Gottschalk, Mason, Mills, Sanderson, Pattison, and many others, and from the most distinguished critical authorities of the Press. The Hinge-Plate improves the tone in sympathetic sweetness, and adds double to the power of the instrument. A choice assortment of these fine instruments constantly on hand.

**MATHUSHEK PIANOS TRI-
UMPHANT!**

Two Highest Medals Awarded

AT THE LATE

FAIR OF THE AMERICAN INSTITUTE

UNANIMOUS DECISION OF THE JUDGES!

Four Pianos all unlike,
And each unlike all others.

COLIBRI, ORCHESTRAL, HARP FORM AND CONCERT
GRAND.

We wish it distinctly understood that the little Colibri Piano, though but little more than half the usual size, wholly supersedes the large, cumbersome Piano of all other makers, that it is a regular square, in most beautiful proportions, with seven full octaves, and is in all respects a FIRST-CLASS INSTRUMENT; indeed, the Colibri is much preferred, not only for its convenient size, but also for its depth, purity, sweetness, and remarkable singing tone. The Orchestrated Piano, (common sized square,) on the principle of the Colibri, possesses the power and fine qualities of a Concert Grand. The HARP FORM is considered the instrument of Poetry. Our CONCERT GRAND is pronounced by the judges at the late Fair of the American Institute to be the best on exhibition, or known to them elsewhere.

BARLOW & DOEHLER,

SOLE AGENTS,

694 Broadway, south east corner Fourth street.

R. R. R.

RESOLVENT.

"IN TEN MINUTES IT CAN BE DETECT-
ED IN THE BLOOD," ETC.

A WONDERFUL REMEDY! WORKS ASTONISHING
CURES IN MIRACULOUS QUICK TIME.

RADWAY'S RENOVATING RESOLVENT

SARSAPARILLIAN

Is the only part of Sarsaparilla containing medical virtues, and this principle is one which enters largely in the Resolvent. All other parts of Sarsaparilla are inert and useless. One bottle of the Resolvent contains more of the curative principle than 10 of the large bottles sold under that name.

So quick is Radway's Resolvent in entering into the circulation that it has been detected in the blood and urine in ten minutes after it has been taken.

Scrofula, Fever Sores, Skin Eruptions, Sores, Humors in the Blood, Blotches, Pimples, Salt Rheum, Syphilis, Mercurial Sores, and all diseases of the skin, are cured rapidly. In simple affections of the skin a few doses are only required. There are none so disfigured in personal appearance but that this wonderful remedy will restore to health and personal improvement. One bottle is sufficient to insure a fine, clear, smooth and healthy skin and complexion.

For diseases of the Kidney, Bladder, and Urinary Organs, it surpasses in rapidity and permanence of cure all known remedies in the world. Persons detecting brick-dust deposited in the bottom of the vessel, or suffering

with a scalding pain along the urethra, and pains in the loins, small of the back, etc., or from micturitions in drops, should at once use the RESOLVENT.

If afflicted with Calculous Concretions, Stone in the Kidneys, Ureter, or Bladder, will derive immediate relief (if not a cure) by the Resolvent. Price: \$1 per bottle, or 6 for \$5.

Dr. RADWAY'S Office No. 87 Maiden Lane. Persons afflicted with Calculous Concretions and Kidney Diseases are invited to call on Dr. RADWAY, at his office, from 1 to 2 P. M.

See Dr. Radway's Almanac for 1868, now ready, free of charge.
